

SAMPE 中国 2024年会 国际学术会议

SAMPE CHINA 2024
INTERNATIONAL CONFERENCE

2024/06/18-21

中国国际展览中心（朝阳馆）·北京
China International Exhibition Center, Beijing

征文通知

CALL FOR PAPERS

www.sampechina.org

Conference Highlight

- This is the 19th SAMPE China which is continuously organized in China mainland.
- The biggest event on Advanced Composites in the first half year in Asia.
- Focus on the whole chain of advanced composites material, process, engineering and applications
- Expecting 310+ technical papers, 1000+ attendees
- Exhibition+ Conference+ Application Sessions+ Competition+ Innovation Award
- Professional, International and high-level.

Chairmen

Prof. Xiaosu YI, FSAMPE
Carbon fiber and
Composites Innovation
Center

Prof. Yiping Qiu,
FSAMPE
Donghua University

- Dr. Arnt Offringa, Fokker Aerostructures
- Prof. Hayato Nakatani, Osaka City University
- Prof. Hiroyuki HAMADA, Multi Layer Technology Institute (Japan)
- Prof. Jianwei Hao, Director, AVIC Manufacturing Technology Institute
- Prof. Lingcai Huang, AVIC General Aircraft Co., Ltd
- Dr. Louis Pilato, Pilato Consulting
- Prof. Lulin HE, Beijing Institute of Aeronautical Materials, AECC
- Mr. Marc Fette, Chief Operating Officer (COO) of the Composite Technology Center (An Airbus Company)
- Dr. Peter Li, Vice President, Boeing Research and Technology, China
- Dr. Scott Beckwith, Technical Director, SAMPE GLOBAL
- Dr. Shanying Zeng, FSAMPE
- Dr. Sumonman Nianglang, Rajamangala University of Technology Thayaburi
- Prof. Tong Zhao, Institute of Chemistry, Chinese Academy of Sciences
- Dr. Wei Lian, Composite Materials Center, COMAC
- Prof. Yan Li, FSAMPE, Tongji University
- Prof. Yichu Yin, FSAMPE, Shanghai Institute of Synthetic Resin
- Prof. Zhen SHEN, Vice Chairman, SAMPE Beijing Chapter
- Prof. Zhenghua CAO, Director, AVIC MTI Composite Technology Center
- Prof. Zhongmin Xue, FSAMPE, Sinoma Science & Technology Co., Ltd

The conference technical committee invites Designers, Engineers, Researchers, Manufacturers and End Users being active in or for the Aerospace, Safety protection, Marine, Green Energy, Automobile, Rail transit, and other Advanced Manufacturing Industry to present their latest innovation, development, achievement, test-results and new applications in the field of Advanced Composites at SAMPE CHINA 2024, paper topics will include, but not be limited to:

- Additive Manufacturing
- Design, Optimization, Analysis and Simulation
- Thermoset Resin System
- Advances in High-performance Fiber, Fabric, Prepreg, Preform
- Interphase
- Smart Composites
- Green Composites
- Ceramic Matrix Composites
- Tooling
- Automatic Fabrication
- Low Cost Process and Manufacturing Technology
- Structural Health Monitoring
- Mechanical/ NDT Testing
- Certification
- Bonding and Adhesive Technology
- Coating
- Graphene and Applications
- Commercial Aviation Application
- UAV
- Aero Engine
- Space Application
- Safety Protection
- New Energy Vehicle/ Refit Vehicle
- Rail Transit
- Infrastructure
- Marine & Ship
- Wind/ Solar/ Hydrogen Energy
- Recycle & Reuse
- Sustainable

The deadline for oral of a 1-page abstract is **March 22, 2024**. Authors of accepted abstract will then be required to submit the full paper before **May 17, 2024**. Submission Email: service@sampe.org.cn

Speakers/Authors of selected papers will get a substantial reduction on the full registration fee, which will be including the conference sessions, exhibits, welcome reception, coffee breaks, three lunches, the Banquet, and a conference proceedings.

Call for Session organizers

Technical/ Application sessions will be held in conjunction with SAMPE CHINA 2024 Conference with the aim to explore new topics or the topics in above call for papers and provide international sessions for scientist, engineers and experts to exchange and share their experience, new ideas and research results on hot topics. The session proposal should include following information:

Title of Session:

Session Chair(s): Name, Affiliation, Phone and E-mail

Expected number of papers to be submitted:

Organizer contact person: Name, Affiliation, Phone and E-mail

Each session organizer will start to distribute a call for paper after receiving the notification, papers submitted to each organized session will be reviewed by the conference technical committee.

Two of the attendees from the session organizer will have the free full-registration fee of the event.

The deadline for session organizer application is **February 29, 2024.**

Location & Schedule at a Glance

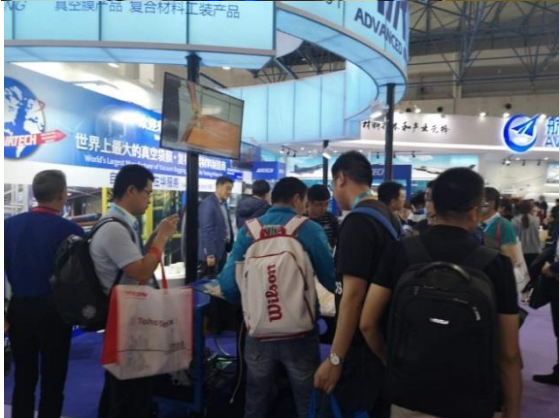

- Location: China International Exhibition Center
- Address: 6 East Beisanhuan Road, Chaoyang District, Beijing, 100028 P. R. China
- Exhibition: Hall 1A, Hall 1B, Hall 2, Hall 3, Hall 4, Hall 8A, Hall 8B
- Conference & Sessions: Office Building

Schedule at a Glance:

- Conference Registration: June 17, 2024
- Conference & Sessions: June 18-21, 2024
- Exhibiting: June 19-21, 2024

SAMPE, Global Networking on Advanced Materials and Process Engineering

SAMPE is ADVANCEMENT
EDUCATION, GLOBAL
NETWORKING, TECHNOLOGY
